Dear George,

Yes, with your phenomenal memory you have struck a very old or long forgotten school pal. I find it hard to believe. I have never met with any of my childhood friends since that time.

Words fail me....!

But we must meet again and surely will in the near future.

I appreciate both yours and your wife's desire to join with us in our efforts to protect the Jervis Bay environment, you are very welcome indeed and we look forward to your eventual moving to Vincentia.

When you arrive and have settled in we shall get together and discuss these matters.... even Lloyd Street State School days.

Cheers for now,

Yours sincerely,
